Our Conferences

For 2024, Elmhurst Energy are excited to announce 4 events that make up their 2024 Conference calendar with 3 of these events having sponsorship opportunities:

Tuesday 27th February 2024	Elmhurst National Conference ENGLAND - KING POWER STADIUM, LEICESTER
June 2024	Elmhurst Conference SCOTLAND
September 2024	Elmhurst Conference WALES
November 2024	Elmhurst Conference NORTHERN IRELAND Sponsorship is not available at our Northern Ireland Conference

Elmhurst conferences offer an exceptional opportunity for energy assessors, building and retrofit professionals to hear from high profile speakers from across the industry and Elmhurst's senior management team. Talks will cover a diverse range of compelling topics, including retrofitting, energy assessments for both residential and commercial properties, and the latest developments in the new build sector.

On top of this, Elmhurst conferences feature interactive Q & A sessions throughout the day and ample time to network with sponsors.

To find out more about our conferences, including venues and what you can expect, please visit: www.elmhurstenergy.co.uk

Why Sponsor?

Elmhurst Conferences are the perfect opportunity for your company to engage with a broad range of energy assessors, building and retrofit professionals to find that next great opportunity.

Engage with the largest accreditation membership across the industry, you'll have the unique opportunity to engage with an audience specifically focused on energy assessment

300+ attendees at our National Conference alone, with 200+ Attendees across our Wales and Scotland regional conferences

A conference schedule that allows ample time for attendees to network with sponsors

Support from our dedicated Marketing team to promote your sponsorship through our website, social media channels and advertisement opportunities

5 hours CPD for all of your attendees

Hot fork lunch and refreshments provided for all sponsors
